The following rules and regulations, in concurrence with the State Public Health Authority, are published for the use and guidance of all concerned:

1. The Big Creek Utility District Commissioners are charged with the jurisdiction over the control of the lake and all facilities connected therewith as this is the source of water consumption for the public.
2. Specified areas of the lake are not to be used for swimming, fishing or boating of any kind. This area is defined as being 300 feet from the dam upstream. Signs are posted to indicate "off Limit" areas.
3. Those persons using the lake for recreational purposes are reminded of their responsibility for keeping all litter cleaned up and removed from the premises of the lake.
4. No boats are to be left unattended.
5. The Dam and all nearby facilities are off limits to all persons.
6. Big Creek Utility District is not responsible for any accidents or injuries to anyone within the confines of the district area.
